## TERMS OF ENROLMENT

### Uniform

Dress and grooming are a very important aspect of a child's dance and acrobatic training. All enrolled students are required to wear the correct uniform to class. Hair must be worn tied back from face. The Dance 2XS reception stocks all uniform requirements. No jewellery is to be worn to class (including watches).

### Enrolment

At the start of each calendar year or when joining for the first time, an enrolment form must be completed and enrolment fee of \$50 paid. This non-refundable enrolment fee is payable per student each year and includes insurance cover for each student, as well as covering PPCA & APRA AMCOS music license fees, administration fees, and also a very special trophy for every Dance 2XS student which is presented at the end of each year. Parents are responsible for maintaining up to date contact details.

Enrolment is for the year and automatically rolls over each term. You are required to give us 2 weeks notice prior to the end of each term if your child is not continuing the following term.

### Trial Class

For insurance reasons, your completed registration form and payment of \$20 must be made prior to the commencement of your child's trial class. Upon continuing classes, this payment will be applied as a \$20 credit to your account.

### Watching Classes

Generally we do not allow parents to watch classes in order to maintain dancer concentration and focus. Exceptions can be made for some first time dancers in our younger classes. Please discuss with your teacher if you wish to watch.

### Drop Off & Pick Up

Please ensure students arrive on time for class and that younger students are brought into the studio by a parent or guardian. Students must be picked up on time at the end of their classes. When students leave the building they are out of our care. No student should wait or be asked to wait outside the building to be collected.

### Payment

Term Fees are strictly payable within the first 2 weeks of each term. Term fee payment will be pro-rata only for new dancers starting mid-term, not existing students.

Payments can be made by cash, credit or bank deposit.

NAME: Dance 2XS BSB: 014 538 ACC NO:  
395705397

We also offer a monthly direct debit service. Please let us know if you would like to pay your fees this way.

### Discounts

We offer the following discounts:

Students attending 2 classes per week – 10% discount

Students attending 3 classes per week – 20% discount

\*\*Discounts do not apply to aerial silk classes

### Missed Classes & Public Holidays

Overhead costs continue regardless of how many students attend classes, therefore there can be no refunds for classes not attended. Classes missed due to public holidays may be made up from any timetable class of the student's level, during the same term and with prior notice.

### Refunds

Once fees are paid there are no refunds under any circumstances including "change of mind".

### Concerts

Dance 2XS Concerts are held at the end of term 2 and term 4 and it is expected that all Dance 2XS students participate in these performances.

### Water

Please bring a bottle of water in to every class to stay well hydrated. This also avoids the need for students to leave the studio's when they become thirsty during class to get a drink. Water only please.

### No Nuts

Please do not bring food products that contain nuts in to our studio, as some of our students are allergic to them.

### Valuables

Please do not bring any items of value to class. Dance 2XS cannot take any responsibility for property that is lost or stolen.

### Safety

We are committed to providing a safe and healthy workplace for employees, contractors, students and visitors. We request all parents to observe their child's safety and communicate any information that would improve safety.

All Dance 2XS teachers have a current Blue Card allowing them to work with children. Please note: the nature of dance and acrobatics occasionally requires student-teacher contact for the purpose of placement and correction of technique.

Dance 2XS strives to create a teaching environment for our students that is fun, fair, positive, nurturing & encouraging. Parents and students are expected to be polite and respectful to teachers, staff and other students at all times.
